APPENDIX 3Ys LODGED 11 SEPTEMBER 2014

On 11 September 2014 Crusader Resources Limited (the Company) lodged an Appendix 3Y – Change in Director’s Interests relating to Mr Stephen Copulos. It was noted on the form that some of the changes occurred on 3 September 2014. These changes were off-market transfers between entities controlled by Mr Copulos and did not have any effect on his overall interests.

Also on 11 September, an amended Appendix 3B for the issue of Options to directors and executives was lodged with related Appendix 3Ys. It was identified that when the original Appendix 3B was lodged on 15 July 2014 the incorrect file was uploaded to the ASX Market Announcement Platform which did not have the Appendix 3Ys correctly attached. The Company has since improved its procedures to avoid a similar occurrence with future electronic lodgements.

Yours faithfully

Andrew Beigel
Company Secretary
